Rome, September 24. 2021

Dear General Responsibles and Presidents of national and continental Conferences

Following the invitation sent last July (ref. Prot. N° 404.2021), the General Assembly of the CMIS will be held in Rome on August 25, 26 and 27, 2022. The arrival is foreseen on the 24th afternoon, and the departure on the 28th morning (4 nights and 5 days). We will be in the Casa di Esercizi of the Passionist Fathers in Caelius, in the very center of Rome. The theme of this Assembly will be: "the service of authority and synodality".

All the General Responsibles are members of the Assembly, and their presence is obviously very desirable, especially in this special time for our vocation. If they are unable to attend, it is of course possible to be represented by a delegate who can participate in the Assembly but cannot be elected. The presence of the General Responsibles is also important for the quorum to be reached.

A limited number of bedrooms will be available, so the presence of a companion will be possible only if strictly necessary. Accompanying persons will only be able to share meals and liturgy with all members of the Assembly. And since we will be in the center of Rome, no alternative program is planned for them, so they can freely organize their time.

You will find enclosed your registration form and that of your possible delegate and/or accompanying person. Please fill it in and send it back to the CMIS secretariat **no later than December 15th**, together with the receipt of the deposit payment, necessary to confirm your registration.

If you have already paid for the previous meeting in Avila that had to be postponed because of the Covid, please fill out a new registration form with the name of the person(s) who will be coming to Rome, and attach the receipt for the payment already made. You will then pay the balance of the total amount by May 31, 2022.

As for the CMIS Congress, this year it will be held online and will of course be open to all members of our Institutes. Though pre-registration will be required, and participation will be free. This digital Forum will take place on May 7, May 21 and June 4, from 2:00 to 5:30 pm (Rome time).

Always in communion and under the protection of Our Lady, we send you a very cordial greeting.
